

# 说明

## INSTRUCTIONS

1. 青少年机器人技术等级考试是中国电子学会面向社会开展的青少年机器人技术能力的评价服务。

The Junior Robotics Test System is a technological knowledge and skill assessment service provided by Chinese Institute of Electronics as a public service for Junior Robotics enthusiasts.

2. 证书是持证人具有机器人技术能力和水平的证明。

The certificate is to proof that the holder has certain level of technical knowledge and skill on robotics.

3. 证书由中国电子学会统一制发, 加盖钢印有效。

The certificate is issued by the Chinese Institute of Electronics. It becomes valid when being affixed the metal seal of the CIE.

4. 证书限本人使用, 不得转借, 涂改无效。

The certificate is for the exclusive use of the holder and not transferrable. Any tempering and/or alteration to the certificate shall be null and void.
